

Eddy Arnold, My Shoes Keep Walking Back To You

(My arms) keep reaching for you
(My lips) keep calling for you
(My shoes keep walking back to you)

I must say that I don't care hold my head up in the air
Even tell my friends I'm glad that you don't call
But when the day is through my heartache starts anew
And that's when I miss you most of all

And my arms keep reaching for you my eyes keep searching for you
My lips keep calling for you and my shoes keep walking back to you
[strings]
No matter how much I pretend I wish I had you back again
For nothing else means half as much as you
Our old world just seemed to die the day you said goodbye
And I can't forget no matter what I do

And my arms keep reaching for you...
(My arms my eyes my lips keep calling for you)
My shoes keep walking back to you
