

# Eddy Arnold, My Way Of Life

Standing on the road walking down the highway  
Ain't going nowhere but that's my way of life

Well I ain't never had much ambition but I always made my own way  
By turnin' a couple of jobs in some ladies' backyard I averaged about a dollar a day  
I wake up early each morning and before I started on my way  
I get some cigarettes and a couple of cups of coffee a sweepin' the local city cafe

Standing on the road...

Ain't never had no one to love me never had girl to call my own  
I never would take a chance to fool with romance I guess I'm used to being alone  
Nobody wants a drifter so I'll keep moving on  
There's nothin' to tie me down when I wanna leave town  
Nobody's gonna miss me when I'm gone

Standing on the road...
