ONE KISS FOR OLD TIMES' SAKE

(Kenny Young - Artie Resnick)

'66 Alley Music

(I want you I need you I love you please grant me this)
One kiss for old time's sake just like it used to be
One kiss for old time's sake could bring you back to me
If you give me a chance to love you one more time
Maybe my lips on yours would change your mind
And you would know how much I want you I need you I love you
Oh my darling please grant me this
One kiss for old time's sake just like it used to be
One kiss for old time's sake could bring you back to me
If there's a spark of love still left from our romance
You owed it to your heart to give me one more chance
Oh can't you see how much I want you I need you I love you
Oh my darling please grant me this
One kiss for old time's sake just like it used to be
One kiss for old time's sake could bring you back to me
