## Eddy Arnold, Ruby Don't Take Your Love To Tow

You've painted up your lips and rolled and curled your tinted hair Ruby are you contemplating goin' out somewhere The shadow on the wall tellsd me the sun is going down Oh Ruby don't take your love to town

It wasn't me that started that old crazy Asian war But I was proud to go and do my patriotic chores Yes it's true that I'm not the man I used to be But Ruby I still need some company

It's hard to love a man whose legs are bent and paralized And the wants and the needs of a woman your age Ruby I realize But it won't be long I've heard them say until I'm not around Oh Ruby don't take your love to town

She's leavin' now cause I just heard the slamming of the door The way I know I've heard it slam one hundred times before If I could move I get my gun and put her in the ground Oh Ruby don't take your love to town Oh Ruby don't take your love to town
