

Eddy Arnold, Then I Turned And Walked Slowly A

I saw you last night, again darling
And you still seemed as lovely to me
I watched as you danced with a stranger
And you seemed just as happy as he.

I watched as you smiled at your stranger
And since you seemed happy and gay
I watched through a mist in my eyes dear
Then I turned and walked slowly away.

I saw you last night again darling
And I cried dear all night until dawn
A new love has come to your heart dear
And an old love has faded and gone.

I hope dear that you will be happy
There's nothing more left now to say
I saw you last night again darling
Then I turned and walked slowly away.

Then I turned and walked slowly away...
