

# Eddy Arnold, Too Soon To Know

It's too soon to know if I can forget her  
My heart's been broken into many pieces  
And it's too soon to know

Time passes slow will I ever know  
If I can forget her and not let her show  
But it's too soon to know

News travels fast when a love affair ends  
People keep asking what happened to them

But it's too soon to know...  
My heart's been broken into many pieces  
And it's too soon to know
