

# Eddy Huntington, U.S.S.R.

Day in the night  
taking places in the train to Moscow

Now I'm coming back to drink some iced vodka.  
Landscape in white  
sun is shining through the icicles

I'm dancing in the snow to balalaikas.

Time can go by but the Russian girls  
don't ever seem to leave my mind  
Fine  
don't see why I should even try  
to leave my heart behind.

U.S.S.R. - I'm back into the U.S.S.R.

U.S.S.R. - I'm back into the U.S.S.R. !

Jumpin' is right  
now this time I'm on vacation

And I'm going to have some fun rocking in Gorki Park.  
Time can go by but the Russian girls  
don't ever seem to leave my mind

U.S.S.R. - I'm back into the U.S.S.R.
