

Eden's Bridge, Tell Me Now

Was it a case of mistaken identity
A shot in the dark where I missed and found you?
Was it a case of my studied indifference
Being so easy for you to see through?

O Lord, tell me now

I thought I could blame it on youthful exuberance
An overexcitement for something all new
But as I moved on on this wandering pathway
I tested your words and I found they were true

I know I belong
(I will call them my people)
I know that you chose me
(This is my covenant with them)
I know it's no accident
(Now we are near Him)
And that's all that I need to know
