

Eden's Bridge, Your Love Is Better Than Life

In the shadow of Your wings
My soul clings to You
Through the watches of the night
I will remember You
Because You are my help
And Your right hand upholds me

And Your love is better than life

For I have beheld You in the sanctuary
And I have seen Your power and Your glory
And I will praise Your name
And I will lift my hands

Because Your love is better than life
