

# Eden's Crush, Let Me Know

I don't understand  
Why you have to talk behind my back  
Why you tell your friends I'm no good for you  
Why you tellin' them you've got someone new  
Ooh  
Do you think I'm weak  
Because you see these tears roll down my cheek  
Don't you know it hurts me deep inside  
When I hear your friends tellin' all these lies

I can play the games that you're playing with me (playin with me)  
You don't wanna try me 'cause baby you'll see (baby you'll see)  
I can find somebody who's gonna love me  
Who's gonna want me baby (baby)

If you don't love me like you did back then  
Or care for me like you did back when  
We were first together  
You better let me know  
And I'll let you go, baby let you go  
If you don't love me like you did back then  
Or care for me like you did back when  
We were first together  
You better let me know  
And I'll let you go, baby let you go

Don't be tellin' me  
That I'm just bein silly  
Don't say I don't know what I'm talkin' 'bout  
Don't you say you have me all figured out (figured out)

But I can play the games that you're playing with me (playing with me)  
You don't wanna try me 'cause baby you'll see (baby you'll see)  
I can find somebody who's gonna love me  
Who's gonna want me baby (baby)

If you don't love me like you did back then  
Or care for me like you did back when  
We were first together  
You'd better let me know  
And I'll let you go, baby let you go  
If you don't love me like you did back then (don't love me)  
Or care for me like you did back when  
We were first together  
You'd better let me know  
And I'll let you go, baby let you go

All this time I've given you  
All the love I ever knew(all i ever knew)  
I never thought it would end like this  
Baby, my love you're gonna miss, oh

Porque todo mi amor te de  
Tu lo has destruido

If you don't love me like you did back then (if you don't love me)  
Or care for me like you did back when  
We were first together  
You'd better let me know  
And I'll let you go (let me go), baby let you go  
(x3)

If you don't, if you don't, if you don't love me  
If you don't, if you don't, if you don't care

If you don't, if you don't, if you don't love me  
Let me know, let me know  
(x2)
