

Edge Of Dawn, Second Split (The Party Girl)

Itching scar
Falling star
Coy tomboy
I don't know where you are

Way too skinny
Fine with me
Spank your monkey
Or spend your money
On me

Cut to cruelty

Beat me, feel free
Get off on me and feed me
Teach the party girl
A lesson from the underworld
Pale-faced
Foul taste
Monkey on the back says
Now

Feed me
Blood, glee
Blonde, slut
Count on me
Innocence, obedience
Welcome home, welcome back
I will not be there
You freak me out

Itching scar
Falling star
Coy tomboy
I don't care where you are

Way too skinny
Fine with me
Spank your monkey
Or spend your money
On me
Sadness or madness
Re-marry and carry
The cross

Promise me
Novelty
Pale-faced
Absurdity
Attempt
To reclaim innocence
Nonsense
I know you
