

# Edge Of Sanity, Blood Of My Enemies

Three sons have I, and they  
ride by my side--The fierce,  
The black and the wicked are  
their names--we ride down my  
enemies on their half-hearted flight.  
No voice of mercy--no evangel of light.  
Mighty messengers--heathens rage  
Witness our coming--gods of the dead.  
I ride through the air--  
I laugh as I die--with powers of evil  
Dark knowledge is mine.  
The ride of the wicked.  
The 1st sin was trust--  
Kill without warning--for blood now  
I lust  
Strong winds--magic mist  
To Asgard the Valkries fly  
High overhead--they carry the dead  
Where the blood of my enemy lies  
Three sons have I, and they  
ride by my side--The fierce,  
The black and the wicked are  
their names--we ride down my  
enemies on their half-hearted flight.  
No voice of mercy--no evangel of light.  
Strong winds--magic mist  
To Asgard the Valkries fly  
High overhead--they carry the dead  
Where the blood of my enemy lies
