

# Edgewater, Neglected

I feel sometimes  
she's not missed  
I feel sometimes  
she's been left behind

I feel sometimes  
that she's neglected  
I feel this time  
that she will rise

Why has her life been dismissed?  
Somebody tell me why has her life been dismissed?

Cold december day  
I walked in..well there  
there she lay  
skin was bare  
tears rolled down her face  
tears of fear and..  
death takes her place  
and im scared of

Why has her life been dismissed?  
Somebody tell me why has her life been dismissed?

She needs more time(4x)

today is not a good day  
she left the life she lived  
today is not a good day  
she left the life she's given(4x)

Why have her life been dismissed?  
Somebody tell me why has her life been dismissed

won't walk away..  
won't walk away..  
won't walk away..
