## Edguy, Walk On Fighting

The ivory is cold, where is my desire? In a cage of gold, not a trace of fire Ice cold as ice, I'm heading for tomorrow I am tired of waiting, I'll beg and steal and borrow

Life is to short to be wasted So why do I sit around Dance on the edge of a razor Get off the ground and I'll never return

Walk on fighting Don't look ever back Walk on fighting Don't you look back to your cries

The phone it waits in silence, no message left by you There is no use in crying. I know I've been a fool Now it is too late, No words left to say I gotta call it fate, forget and look away

Life is to short to be wasted So why do I sit around Dance on the edge of a razor Get off the ground and I'll never return

Walk on fighting Don't look ever back Walk on fighting Don't you look back to your cries

Walk on fighting...
