

Editors, HONESTY

Don't you want me to stay?
Make a rocking horse getaway.
The radio says we're in for a fall.
The TV says nothing at all.

Nothing at all.
Nothing at all.

Out of my window, it echoes my heart.
I've been checking for change since the start.
Collide into me, I could do with a fight.
Collide into me, cause it feels right.

Does the honesty deceive?
Try to find a way to leave this party.
Take it out on me cause
All the honesty shut this place down.

Your bowling ball eyes have nothing to say.
They knock me over again anyway.
Collide into me, I could do with a fight.
Collide into me, cause it feels right.

Does the honesty deceive?
Try to find a way to leave this party.
Take it out on me cause
All the honesty shut this place down.

The broken hearts of my neighborhood
Lay cast aside like dreams in Hollywood,
With the boarded up windows at the closing sale.

Does the honesty deceive?
Try to find a way to leave this party.
Take it out on me cause
All the honesty shut this place down.
