

Edna's Goldfish, Better Days

If I hold on to what I've got
Make the best of everything
Even if that means that I'm not left with anything...
At least I'll have some sort of peace of mind,
Left it all behind me now,
Watched it change just to break me free
My eyes have seen better days
I wish I knew what was in store
My eyes have seen better days,
all is quiet in my heart when all I want to do is make some noise
If I just turn the key and open up the door
maybe things will be the same
Can't you see that I'm crying out for a real change?
If I hold on to what I've got,
I'll be floating on my borrowed time,
Not too long before the ocean let's me sink
To the floor
My eyes have seen better days
I wish I knew what was in store
My eyes have seen better days
All is quiet in my heart when all I want to do is make some noise
