

Ednaswap, Blown Away

Turn out the lights
See what I've been seeing
This is the love I have not been feeling
A chill in the bone as it begins to change
Don't look at me 'cause things are not the same

You know I am I am
And I will be
Closer to you than you to anyone
You know I cannot see
The earth, the sun
for all the damage we have done

Oooh- so tired of playing in the water
ooh- don't wanna be your saint, your martyr
ooh- so sorry baby, it's my mistake
the years have blown away

Hold down the dog
I'm here to raise this ceiling
These are the walls I cannot believe in
A quarter to four and it begins to tell
don't look at me 'cause nothing's gonna sell

You know I am I am
And I will be
Closer to you than you to anyone
You're so full of conceit
You beg to be undone
You torment just for fun

Oooh- so tired of playing in the water
ooh- don't wanna be your saint, your daughter
ooh- so sorry baby, it's my mistake
the years have blown away
