

Edson, Birth! School! Dole! Angst!

You don't have to be pitiful about me
There's no need to be merciful to spare me
You don't have to be pitiful about me
Cause I have got a pocket full of treasury

You don't have to worry
You don't have to cry
There will be another time
You don't have to worry
This is not goodbye
You don't have to worry, I'll be fine

I never meant to live a lie - no I
I still believe in honesty and I tried
To tell you about a year ago - honestly
And now I have deceitful writt en all over me

You don't have to worry
You don't have to cry
There will be another time
You don't have to worry
This is not goodbye
You don't have to worry, I'll be fine
