

Edson, I Wanna Be Alone

Last night we fell apart, we fell apart
And I took the train to hell
All from the start I knew we'd fall apart
Every bubble bursts

Selfish and blind
Hard and unkind
Inside my mind I recline

I wanna be alone
I wanna be ignorant on my own
Still I wait by the phone
I wanna be adored
And now I'm indifferent to it all
Still I wait for your call

I woke up on a mattress, by a phone
I could hear my parents sing
Dad out of key, he tried his best to be
I could hear them sing

Happy Birthday! Thirty today!
Happy, so happy
(Oh yeah)

I wanna be alone
I wanna be ignorant on my own
Still I wait by the phone
I wanna be adored
And now I'm indifferent to it all
Still I wait for your call

Tell me why, can you tell me why
