

Edurne, Break of Day

I won't suffocate
I don't want to wait,
I will change this state I'm in
These chains 'round my heart,
Tied up break apart,
I won't let this moment drown me
I see it,
I feel it

I'll run run for,
the sake of war
Until I run run run no more

Alive feeling dead,
inside in my head,
I hear the voice of freedom
I'm out of control,
I'm in, just say go!

I'll run run for,
the sake of war
Until I run run run no more

I'll break away,
I just can't stay,
I'll run, run 'til the break of day!

I see it,
I feel it

I'll run run for,
the sake of war
Until I run run run no more

I'll break away,
I just can't stay,
I'll run, run 'til the break of day!
