

Edward Bear, You Me And Mexico

It's been a long time since I've even bothered you,
It's been a long time since I realized that you weren't there,
It's been a long time since I looked at what I'm doing,
It's been a long time since I realized I don't really care,

Cause I'm thinking of you down in mexico,
Feeling free as the air,
Here I am stuck in the city,
Still going nowhere.

It scares me sometimes when I see how I'm held here,
It scares me sometimes when I see just how you got away,
It seems to work fine leaving all of the trouble,
It seems to work fine and I really don't know why I stay,

Cause I'm thinking of you down in mexico,
Feeling free as the air,
Here I am stuck in the city,
Still going nowhere.

Cause I'm thinking of you down in mexico,
Feeling free as the air,
Here I am stuck in the city,
Still going nowhere.

Cause I'm thinking of you down in mexico,
Feeling free as the air,
Here I am stuck in the city,
Still going nowhere.

Thinking of you down in mexico,
Feeling free as the air,
Here I am stuck in the city,
Still going nowhere.
