

# Edward, Big Bad Wolf

Jesus doesn't love you  
never died for you  
doesn't care

jesus couldn't save you  
died for his own sin  
wasn't pure

the preacher man  
you're just his whore

he's your pimp  
and your mind  
is a frozen door

hey little red ridinghood  
big bad wolf

every thing you love  
I hate  
the bottom is the top  
& that is great  
hot is cold  
cold is hot  
come on baby  
show me what you got  
little red ridinghood  
I'm the big bad wolf

Jesus couldn't save you  
never would

Big Bad Wolf
