

Edwin, Firecracker

I'm a compulsive liar
I'm a fast driver
She's the next flavor
He's a lifesaver
I'm a taxpayer
I'm a sooth sayer
She's a figure skater
He's a major player

F**ked again
Yes, I'm f**ked again

I'm a firecracker
I'm a firecracker
Let's take a spin
I'm on fire again

I'm a cheese grater
I'm a happy labor
She's a gold digger
He's a star maker
You're a ball breaker
I'm a pallbearer
She's a party favor
And he's a carpetbagger
Yeah, yeah, yeah

F**ked again
Yes, I'm f**ked again

I'm a firecracker
I'm a firecracker
Let's take a spin
I'm on fire again
Light me up
Let's take a spin
I'm on fire again

She's a sex junkie
She's a tough cookie
I'm a raw rookie
I'm a big hairy wookie

F**ked again
Yes, I'm f**ked again

I'm a firecracker
I'm a firecracker
Let's take a spin
I'm on fire again
Take a spin
F**ked again
Yes, I'm f**ked again
