

Edyta Górniak, Calling You

A desert road from Vegas to nowhere
Some place better than where you've been
A coffee machine that needs some fixing
In a little caf just around the bend

I am calling you
Can't you hear me
I am calling you

The humdrum wind blows right through me
The baby's crying and I can't sleep
But we both know a change is coming
Coming closer so wed release

I am calling you
Can't you hear me
I am calling you

I'm calling you...

A desert road from Vegas to nowhere
Some place better than where you've been
A coffee machine that needs some fixing
In a little caf just around the bend

I am calling you
I know you hear me
I am calling you

Can't you hear me
I am calling you

I know you hear me
I am calling you...
