

# Edyta Górniak, Soul Boy

Won't you be my soul boy  
Won't you be my soul  
There's been no one like you  
Trusted and true

I just wanna be loved by you  
Just wanna be loved by you  
Like a soul boy

Won't you be my soul boy  
And take me as I am  
I had enough of bad dreams  
And one night stands, baby

I just wanna be loved by you  
I want to be really loved by you  
Like a soul boy

Take me as I am boy, hold me while you can  
There's not a woman in the world  
Lovin' you better than I do  
Take me as I am  
Be like a soul boy

I don't wanna be with no one else  
I don;t wanna kiss no one else  
I want you to be ma soul boy

No more fighting and no more leaving  
It ain't exciting and I quit believing  
That you're my soul boy, soul boy, soul boy
