

Eek-A-Mouse, Noahs Ark

The wise man builds his house on the rock
The foulsh man builds his house on the sand
And when it came tumbling down
The foulsh man house is washed away

How could the wise man build his house on the sand
How can the wise man build his house within
With no foundation, on the sand

Noah built his ark by the will of god
Boxing the wicked people in hosing (?)
So he take all, all with himself

A pair, a pair of animal

Birds and cows and bow and horse
wowoy
Lions and tigers oh and zebra

How could the wise man build his house on the sand
How can the foulsh man build his house in the rock

he has got no wisdom, no wisdom
techie, my brother techie
wowoy

The wise man builds his house on the rock
The foulsh man builds his house on the sand

How could the wise man build his house on the sand
Where on the sand there is no foundation.
