

# eels, Agatha Chang

Agatha was beautiful  
Long black hair and ? eyes  
Even when she didn't feel good  
She looked alright  
She always had a smile  
It was good for a while

I wanna answer  
Each time for ..  
But I should have stuck with Agatha Chang

Agatha she wasn't mean  
She didn't cheat, she never lie  
Even if she disagree with you  
It wasn't fight  
Might you feel like your ?  
And then I lost her

I couldn't bet ?  
Break up my old gang  
But I should have stuck with Agatha Chang

What was so important then  
I hadn't a clue  
How could I have been so blind  
And cruel

Agatha where did you go?  
Do I have to ?  
I could make up for everything I did wrong  
But I know it's just a song  
And you probably long go  
?  
But I should have stuck with Agatha Chang
