

# eels, Jeannie's Diary

How does her world spin  
Without me in her nest  
Could there really be  
such happiness?  
Oh, shes got a dark side too  
ever murderous,  
But I love that, Just like her.

I don't have a chance at writing the book,  
I just want to be a page,  
Of Jeannies Diary.

One single page....  
of Jeannies diary....

Yes I am intense  
maybe quite obsessed  
Everything she does is  
Curious.  
Oh Shes going to let me in.  
I just know its so,  
But then again  
Who do I care?

I don't have a prayer for writing the book  
I just want to be a page  
in Jeannies diary

One single page...  
Of Jeannies diary

oooo ooooooo

She could have anything she wants  
so why not me?  
She could have anything she dreams  
Oh to be  
One single page  
One single page

Of Jeannie's diary.
