eels, Packing Blankets

Today is a lovely day to run start up the car with the sun

Packing blankets and dirty sheets a roomful of dust and a broom to sweep up all the troubles you and I have seen

cross when the drawbridge light is green don't look back to that messed-up scene

Packing blankets and dirty sheets a roomful of dust and a broom to sweep up all the troubles you and I have seen

and all our troubles will be gone blowing out over that bidge floating up into the sky making the storm clouds cry

put out that smoke and breath some air get a new name and cut your hair
