eels, Taking A Bath In Rust

Why dont you Get me A way out of here Buy me a ticket A seat in the rear

Cause I'd say the daylight Its time to go home

Every day Voice in my ear Telling me 'Get out of here'

I think that you know Its not so bad Sitting in rust and taking a bath

But I think that I could Find a new way

Every day Voice in my ear Telling me 'Get out of here'

Why dont you just think About it a while Maybe i'm too much Cramping your style

But now that it's daylight It's time to go home

Every day Voice in my ear Telling me 'Get out of here'
