

# Efterklang, Swarming

When I lose I will find out  
When I lose for the last time

She's aware of her implant  
that she bears a wingspan  
she's afraid of her implant  
it is out of her hands

her wing beat is humming loud, is humming loud  
send her seeds, a painful sound  
her wing beat is humming loud, is humming loud  
send her seed, a painful sound  
... loud
