

Eiffel 65 feat. Kim Lukas, All I Really Want

I wait I wait I wait
I wait all day I wait
I wait I wait I wait
I wait I wait I wait
All I really want is one more day,
To make you change your mind and wanna stay,
All you have to do is call my name
And Ill come back again
All I really want is one more day,
To make you change your mind and wanna stay,
All you have to do is call my name
And Ill come back again
All I really want is one more day,
To make you change your mind and wanna stay,
All you have to do is call my name
And Ill come back again
All I really want is one more day,
To make you change your mind and wanna stay,
All you have to do is call my name
And Ill come back again
Ill come back again
If I could have another day
To make you see I am the one
Ill show you love in many ways
For your kiss I wait
But now youve pushed my love away
Leave me cold both night and day
All Ive longed what can I think
I wait all day I wait
All I really want is one more day,
To make you change your mind and wanna stay,
All you have to do is call my name
And Ill come back again
I wait I wait I wait
I wait all day I wait
I wait I wait I wait
I wait I wait I wait
I try to call you on the phone
Are you there are you all alone
I have to hear your voice again
For your kiss I pray
With closed eyes youll never see
Just how much you mean to me
Please stop playing with my heart
I wait all day I wait
All I really want is one more day,
To make you change your mind and wanna stay,
All you have to do is call my name
And Ill come back again
All I really want is one more day,
To make you change your mind and wanna stay,
All you have to do is call my name
And Ill come back again
All I really want is one more day,
To make you change your mind and wanna stay,
All you have to do is call my name
And Ill come back again
Ill come back again
