

# Eight Fingers Down, Suicide Kings

Why does affliction have to bring you down?  
Why don't you live by all the words you say?  
Words from everyone go through your head  
Your lies don't die  
I'll see you on the other side  
I'll see you there  
When does everything come to an end?  
It makes a difference if you want to change  
Words from everyone go through your head  
Your lies don't die
