Eight Wonder, I'm Not Scared

Take these dogs away from me Your life is a mystery Mine is an open book If I could read your mind I think I'd take a look I'm not scared Baby I don't care What have you got to hide What do you need to prove You're always telling lies And that's the only truth I don't care Baby I'm not scared Tonight the streets are full of actors I don't know why Oh take these dogs away from me Before they them bite What have you got to say Of shadows in your past I thought that if you paid You'd keep them off our backs Where do we have to be So I can laugh and you'll be free I'd go anywhere Baby I don't care I'm not scared, I'm not scared Tonight the streets are full of actors I don't know why Oh debarrassez-moi de ces chiens Avant qu'ils mordent avant qu'ils mordent Tonight I fought and made my mind up I know it's right I know these dogs still snap around me But I can I can fight If I was you if I was you I wouldn't treat me the way you do If I was you if I was you I wouldn't treat me the way you do If I was you if I was you I wouldn't treat me the way you do If I was you if I was you I wouldn't treat me the way you do I'm not scared Baby I don't care I'd anywhere Baby I'm not scared J'ai pas peur J'ai pas peur I'm not scared
