

# Eighteen Visions, Black And Bruised

My days are numbered down on my life  
I know I can't quite make it  
You've got your crown, so quit your fucking around  
I've broken you, you've broken me

Now, I'm alone  
I've broken you, you've broken me  
Now, I'm alone  
I've broken you, you've broken me

You let the killer kill me tonight  
Wounded, I'm down on my knees  
You hang 'round me like a fucking disease  
I've broken you, you've broken me

Now, I'm alone  
I've broken you, you've broken me  
Now, I'm alone  
I've broken you, you've broken me

Yeah, I know this world has got me down, it's on my shoulders  
Black and bruised, I go insane (I go insane)  
And now this world has got me down, it's all but over  
Black and bruised, I go insane (I go insane)

Yeah my mind is gone, it's so fucking lost  
So please get out of my head  
You've leeches on me like a fucking disease  
I've broken you, you've broken me

Now, I'm alone  
I've broken you, you've broken me  
Now, I'm alone  
I've broken you, you've broken me

Yeah, I know this world has got me down, it's on my shoulders  
Black and bruised, I go insane (I go insane)  
And now this world has got me down, it's all but over  
Black and bruised, I go insane (I go insane)

I go insane  
I go insane  
I go insane  
I go insane

I go insane

I've broken you  
I've broken you  
I've broken you  
I've broken you, you've broken me
