Mir war
als httest du
einen Blick auf mich geworfen
ich mich geduckt
sag mir, was das war

Mir war
als hieltest du
in den Armen mich
und tausend Disteln
sag mir, was das war

Mene, mene tekkel, upharsin

Desert

It was
as if you had
cast a glance at me
I had ducked
tell me what that was

It was
as if you held
me in your arms
and a thousand thistles
tell me what that was

Mene, mene tekkel, upharsin
