

Eisley, Golly Sandra

G-g-g-golly Sandra!
You've grown up really crazy...
Have I been too denying of you?

G-golly Sandra!
You've grown up so crazy....
Have I been too untrusting?

Take me down to the bridge
Where you know that I've always love you
And i'll go without stopping

Oh you are my scar
And that's not really far

Hey hey

Golly Sandra!
You've grown up really crazy....
Have I been too denying of you,
Take me down to the bridge
Where you know that I've always loved you
And I'll go there without stopping

Oh you are my scar
That's not really far

Hey

Well I guess I have should have been around to sing you to sleep
You look so beautiful...
It hurts me slightly

Oh you are my scar
And that's not really far

Hey

Oh you know I've tried so hard for you, for you
