

# Ekolu, When I Think Of You

I sit all alone and vision you are here, but here in my heart I always keep you near  
and on the rainiest days when everything begins to fade the smile you left just brings me back again

Chorus

And when I think of you a tear begins to fall  
while my heart is longing for your call  
and when I think of you it brightens up my day and takes the clouds away  
when I think of you  
yeah e yeah when I think of you

I sit all alone and remember all the times when you were here how you eased my mind  
now the sunniest days could never be the same cause the warmth of your love could never be repl

Chorus

and when I think of you a tear begins to fall  
while my heart is longing for your call  
and when I think of you it brightens up my day and takes the clouds away  
when I think of you  
yeah e yeah when I think of you

Time is all I need to ease my broken heart  
but now you rest where angels like to play

I wish I could share with you the life  
I live today and make you proud of me  
I hope that your proud of me  
oh oh yeah e yeah

hmmm la la  
la la la la la la la la  
la la la la  
la la la la  
la la

Chorus

And when I think of you a tear begins to fall  
while my heart is longing for your call  
and when I think of you it brightens up my day and takes the clouds away  
when I think of you  
yes mom when I think of you

yeah e yeah when I think of you  
oh mom when I think of you
