

# Ektomorf, Blood In Blood

look at my eyes, look at my skin  
in which I was born, in which I'm livin'  
look at my soul, look at my blood  
they make me survive 'cause life is hard

Rise!  
Blood in blood

look at me, look at yourself  
the shame of every nation os  
the world's segregation  
I look at the sky, I look at myself  
My father's and my mother's blood  
United in me!

Never deny yourself  
My mind is my mind, only mine,  
my soul is my soul, only mine,  
no enemy could take it, 'cause it's mine!
