## Ektomorf, Blood In Blood

look at my eyes, look at my skin in which I was born, in which I'm livin' look at my soul, look at my blood they make me survive 'cause life is hard

Rise! Blood in blood

look at me, look at yourself the shame of every nation os the world's segregation I look at the sky, I look at myself My father's and my mother's blood United in me!

Never deny yourself My mind is my mind, only mine, my soul is my soul, only mine, no enemy could take it, 'cause it's mine!
