

Elan, Don't Want You In

I wonder if I've lost it
And I wonder how
I've been here all day
But this feeling won't fade
Last time I saw you
I got all choked up
And I Forget you never cry
But I think this time you might
'Cause you owe me more than you will ever know
And I was just thinking it's time to let go
'Cause I don't want you in
Something you can't begin to understand
No I don't want you in
Something you can't begin to understand
So I Lie on my bed
And I dim the lights

You know I'd rather be out instead
I wish I had somewhere to be
I liked you more when you liked me
Was that too much too ask
You got too good at lying to me
Did you think that I'd be happy
'Cause you owe me more than you will ever know
And I was just thinking it's time to let go
'Cause I don't want you in
Something you can't begin to understand
No I don't want you in
Something you can't begin to understand
No I don't
Don't want you in
Something you can't begin to understand
