

# Elan, This Fool's Life

I don't know where we're going but I'll follow you until I get there,  
you know I will. 'Cause I have no way of knowing which direction it  
is going, but it shows.

And it's a good thing I brought my eyes to see it happen. And it's a  
good thing  
I brought my eyes to see the world turn.  
It only happens once in this fool's life.

And I can be it  
if I can see it  
in the clouds.  
And I can't be it  
if I can't see it  
in the crowd.

I can feel the earth below me start to tremble before me, my heart's  
beatind, I must be dreaming. 'Cause I have no way of knowing which direction it  
is going, but it shows.

And it's a good thing I brought my eyes to see it happen. And it's a  
good thing  
I brought my eyes to see the world turn.  
It only happens once in this fool's life.

And I can be it  
if I can see it  
in the clouds.  
And I can't be it  
if I can't see it  
in the crowd.
