

Elastica, See That Animal

See that animal get some heavy metal
Watch the world go singing sha-la-la-la
White stick happiness, will we ever know how it feels, how it feels?
I feel your tatoo on mine, but I can't wash it off this time
Oh it's time, oh it's time, oh it's time, oh it's time.

See that drug act, that AC/DC drag act on the wires in the sky tonight
Fifteen new cities, but will we ever know how it feels, how it feels.
I feel my tatoo on you, it's a sweet thing Terry, but it's not true
It's not true, It's not true, It's not true, It's not true.
