

# Elastica, Waking Up

I'd work very hard, but I'm lazy  
I can't take the pressure and it's starting to show  
In my heart, you know how it pains me  
A life of leisure is no life you know

Chorus:

Waking up and getting up has never been easy  
Oh, I think you should know  
Waking up and getting up has never been easy  
Oh, I think you should know  
Oh, I think you should go  
Make a cup of tea, put a record on

I'd work very hard, but I'm lazy  
I've got a lot of songs but they're all in my head  
I'll get a guitar, and a lover who pays me  
If I can't be a star I won't get out of bed

(Chorus x 2)
