

Elbow, Grace Under Pressure

Grace under pressure
Cooling palm across my brow
Eyes of an angel
Lay me down

Grace under pressure
Cooling palm across my brow
Eyes of an angel
Lay me down

Grace under pressure
Cooling palm across my brow
Eyes of an angel
Lay me down

Grace under pressure
Cooling palm across my brow
Eyes of an angel
Lay me down
We still believe in love so fuck you
We still believe in love so fuck you
We still believe in love so fuck you
We still believe in love so fuck you
We still believe in love so fuck you
We still believe in love so fuck you
