

# Elbow, One Day Like This

Drinking in the morning sun  
Blinking in the morning sun  
Shaking off a heavy one  
Heavy like a loaded gun

What made me behave that way?  
Using words i never say  
I can only think it must be love  
Oh anyway, It's looking like a beautiful day.

Someone tell me how I feel  
It's silly wrong, but vivid right  
Kiss me like a final meal  
Kiss me like we die tonight

Cause holy cow i love you eyes  
and only now i see the light  
lying with you half awake  
Oh, anyway, it's looking like a beautiful day.

When my face is chamois creased  
If you think i wink I did  
laugh politely at repeats  
Yea, kiss me when my lips are thin.

Cause holy cow i love your eyes  
and only now i see the light  
yea lying with you half awake  
Stumbling over what to say  
Well, anyway, it's looking like a beautiful day.

So throw those curtains wide  
One day like this a year would see me right
