

# Elbow, Red

Come as you are, sweetheart  
Come as you are  
You know you've got nothing to prove  
I'll put you to bed you can let it all go  
You've been playing too rough lately

You burn too bright  
You live too fast  
This can't go on too long  
You're a tragedy starting to happen

Just as you are, perfect  
Just as you are  
I'll give you the time you deserve  
Don't make those promises  
Don't tell me again  
That dust is gonna settle your nerves

You burn too bright  
You live too fast  
This can't go on too long  
You're a tragedy starting to happen

You burn too bright  
You live too fast  
This can't go on too long  
You're a tragedy starting to happen
