

# Elcho, Lazy Summer Days

Memories of yesterday  
Can't think about it ...nothing but you  
Never gonna fade away...  
Even if you disappear from view...

Sweet distraction...you're always on my mind  
Sweet distraction...same feeling every time  
Clear intention...just wanna make you mine  
Sweet distraction...same feeling every time

Lazy summer days...wash away  
Under the spell of soft summer rain  
Lazy summer days...wash away  
Under the spell of soft summer rain  
We are all same

Memories of yesterday  
Daydreaming all when i held you close  
Doesn't matter what you say  
You were the one i wanted close

Sweet distraction...you're always on my mind  
Sweet distraction...same feeling every time  
Clear intention...just wanna make you mine  
Sweet distraction...same feeling every time

Lazy summer days...wash away  
Under the spell of soft summer rain  
Lazy summer days...wash away  
Under the spell of soft summer rain  
And we are all same

Memories of yesterday...  
Can't thing about it  
Nothing but you

Lazy summer days...x2

Lazy summer days...wash away  
Under the spell of soft summer rain  
Lazy summer days...wash away  
Under the spell of soft summer rain  
And we are all same
