

Eldritch, Don't Listen

Please run to me

I'll stop and wait

If you want me

I'm right here

We got nothing

More to lose

Now I see how sometimes love could be

Erasing all the bad thoughts from this wounded mind

THE POWER OF LOVE'S GETTING CLOSER

I SHIVER AT EVERY GLANCE YOU GIVE

THE POWER OF LOVE'S GETTING CLEARER

JUST DON'T LISTEN TO NOBODY?

Now my arms are

Open wide

Now my heart is

Beating right

Let's just give love

One last chance

Now I see how sometimes love could be

Erasing all the bad thoughts from this wounded mind

THE POWER OF LOVE'S GETTING CLOSER

I SHIVER AT EVERY GLANCE YOU GIVE

THE POWER OF LOVE'S GETTING CLEARER

JUST DON'T LISTEN TO NOBODY?
