

# Eldritch, Seeds of Love

I am purging my soul from the mistakes I made  
I am breathing new air trusting in destiny  
A cool wind in my hair swept bad thoughts away  
If I'm wrong wake me up from this big daydream  
In this world of anger  
There is need of love  
A vast land to conquer  
Where to plant my heart..  
NOW I AM WAITING FOR A SIGN  
TO BREATHE AND FEED THIS SOUL OF MINE  
MY HEART'S FULL OF SEEDS OF LOVE..?  
It took a lifetime to me to realize  
That my thoughts were kind of paralyzed  
I finally think that I'm recovering from this state  
A state of depression and uncertainty  
In this world of anger  
There is need of love  
A vast land to conquer  
Where to plant my heart..  
NOW I AM WAITING FOR A SIGN  
TO BREATHE AND FEED THIS SOUL OF MINE  
MY HEART'S FULL OF SEEDS OF LOVE..?
